Burnie

This is your opportunity to be part of an inclusive, friendly community.

Your new home at Umina Park

Perfectly placed to give you access to central Burnie, Umina Park is renowned for its homely atmosphere and safe, quality care.

Enjoy easily accessible walking paths around the magnificent grounds and beautiful rose gardens, or choose to relax in comfortable indoor, outdoor and communal spaces.

Each modern and spacious room at Umina Park has been designed to make the most of the surrounding gardens and views.

Our vibrant leisure and lifestyle program offers everything from individual tailored opportunities to large group outings.

Gardening, music therapy, choir, movie afternoons and happy hour are just a few of the regular highlights to look forward to.

We've also developed a collaborative relationship with students and teachers from the nearby Burnie Primary School. Their weekly visits have forged some extraordinary connections between the students and our residents.

Umina Park is my home. I love spending the afternoon listening to records and chatting with my friends.
