## National Volunteer Week (NVW)

Monday 17 May to Sunday 23 May 2021

---

**National Volunteer Week** is Australia's largest annual celebration of volunteers. It has been recognised that across Australian industries, there are around 6 million volunteers today. At OneCare, we have just over 100 active volunteers across our services.

At OneCare, we are acknowledging our wonderful volunteers through a range of facility specific activities. As the CEO for OneCare, I personally want to thank each and every one of you for the work you do. It is so greatly appreciated.

The 2021 theme for National Volunteer Week is:

***Recognise. Reconnect. Reimagine.***

**1. RECOGNISE, celebrate and thank volunteers for the vital role they play in our lives.**

Without you (our volunteers), the lives of our residents, clients and staff would be so very different. You are the quiet achievers. We SEE you and thank you for your role in our service.

**2. RECONNECT to what is important by giving time to help others.**

Isolation and loneliness are two major social issues for our communities. Without you (our volunteers), the lives of our residents, clients and staff would be so very different. You are the quiet achievers.

We see you and FEEL your gentle presence. Thank you for making such a positive difference in the lives of others through your generous gift of time.

**3. REIMAGINE how we better support volunteers and communities they help.**

Without you (our volunteers), the lives of our residents, clients and staff would be so very different. You are the quiet achievers.

We see you and now we must HEAR you. OneCare is committed to hearing your voice so that we can reimagine our service to better support, enable and celebrate you in delivering such a valued service. We welcome you to complete our volunteer survey! Thank you for giving us your valuable feedback. Please note that this survey will be open until Monday 31<sup>st</sup> May.
