

Rubicon Grove

Key Feature Statement

Built in 2009, Rubicon Grove is one of OneCare's newer facilities. Located in Port Sorell, just a few minutes away from Freers Beach with views across the ranges of Narawntapu National Park, this modern, bright, and open plan facility has a homely and welcoming atmosphere.

Port Sorell is a wonderful coastal town with a kind local community, and residents are only a short drive away from shops, cafes, the bowls club and other quality amenities and essential services.

All built on one level, Rubicon Grove is open and bright with lots of natural lighting. There are four internal courtyards each with lovely gardens, and surrounding the facility are many well-maintained grassed areas. Each wing has its own lounge and sitting areas and the entire facility is heated and cooled by a heat pump system ensuring comfort all year round. Other features include a hairdresser, physio, library, and dining room. There is also a large activity centre and café which caters to residents, visitors, and local community groups. All meals and laundry services are provided onsite.

At Rubicon Grove, we offer a range of care approaches to ensure residents remain as independent as possible. We do this by providing 24/7 nurse call response and a registered nurse on staff at all times, customised care and support plans, nutritional advice, regular health monitoring as well as exercise and wellness programs and connections to allied health care services.

Our Leisure and Lifestyle program is diverse and offers something to suit everyone's needs and interests. Where possible, we take residents out to explore our local community and all it has to offer. Other times, we play an array of different games, and participate in arts and crafts, celebrate personal milestones and holidays as well as inviting members of the local community to visit, including animals.

We understand and acknowledge quality of life is dependent on social, intellectual, physical, sensory, and cultural interaction, and at Rubicon Grove we aim to fulfill these needs for every resident.

Care and accommodation costs:

Depending on your financial situation, your care and accommodation costs may be partly or fully covered by the government.

- Basic daily fee: A daily fee of \$56.87 is applicable to all residents (including those in respite care) regardless of which residence you choose. It is set by the Department of Human Services as a contribution to cover the costs of daily living. This fee will be reviewed on 19 March 2023 and for some people this is the only fee they are required to pay.
- Means-tested care fee: A contribution that some people pay towards the cost of their care, determined by a means assessment.
- Accommodation costs: An amount that some people pay to contribute towards or cover the full costs of their room, depending on their means assessment. The following Refundable Accommodation Deposits (RAD) amounts are for those that have to cover the full costs of the room as determined by this assessment. The DAP is indexed to the Maximum Permissible Interest Rate set by the Government (currently 6.31%) and will be updated on 1 January 2023.

Additional Services:

OneCare strives to provide an environment where our residents receive a high standard of professional, individual and respectful care with lifestyle services designed to benefit everyone. OneCare Advantage Club provides you with added benefits, enabling you to have additional entertainment and lifestyle choices to make your time with us more enjoyable. Price on application.
