OneCare SUSTAINABILITY PLAN 2026-2028

There are three key sections of our new sustainability plan - **Environment, Social, Governance (ESG) Sustainability**
Each of these three sections have key focus areas as listed below

Environmental Sustainability

- Energy Efficiency & Renewables
- Waste, Water & Circular Economy
- Sustainable Transport
- Greening Built Environments

Social Sustainability

- Empowered People
- Leadership in Sustainability
- Community Partnerships
- Health & Wellbeing

Governance Sustainability

- Purchasing & Contracts
- Chemical Management
- Reporting & Transparency
- Sustainable Technology

Your Care, Your Community, Your Choice
